

## Dräger X-plore® 6530 Full Face Mask

The full face mask Dräger X-plore® 6530 is the successor to the Panorama Nova® RA masks, meeting the highest demands for quality, reliability and secure fit. The mask body made from EPDM is highly resistant and skin-friendly, offering high wearing comfort.

**Comfortable 5-point head harness**  
simple donning and doffing

**Distortion-free visor**  
made from PC or Triplex  
with 180°-angle and wide view

**Standard thread connection**  
for Rd40 filters and powered  
air purifying respirators

**Mask body made from EPDM**  
with double sealing frame  
and threefold sealing edges  
for tight fit

**Inner barcode**  
for ease of recording and  
servicing the mask inventory

## Benefits

---

### Safe and comfortable fit

A double sealing frame with threefold sealing edges offers safe protection and a secure fit for almost all face shapes. The mask body made from durable EPDM ensures a great level of wearing comfort even during prolonged use.

---

### Large field of vision

The distortion-free lens with 180° wide angle guarantees a large field of vision with excellent peripheral vision. You have the choice between a lens made from impact-proof polycarbonate (with either a plastic or stainless steel lens frame) or an extremely scratch-resistant Triplex lens with high chemical resistance (with stainless steel lens frame).

---

### Efficient ventilation system

The efficient ventilation system with separate inner mask ensures a fog-free lens and unobstructed view.

---

### Versatile use

The X-plore 6530 is equipped with an Rd40 connection in accordance with EN 148-1 for use of the Dräger X-plore® Rd40 filter series.

---

### 5-point harness

The comfortable 5-point head harness not only ensures that the mask can be donned easily and quickly, but is wide enough to prevent any pressure points on the wearer's head.

---

### Simple servicing and logistics

One universal size simplifies logistics and storage. An inside barcode allows for ease of recording and servicing the mask inventory.

---

### Clear voice communication

An integrated stainless steel voice diaphragm facilitates good communication.

## System Components

### Dräger X-plore® Rd40 Filters

Whether used in chemical industry or automobile industry, shipbuilding, metal processing industry or by public utility services – for decades Dräger respiratory protection filters have been a synonym for experience and safety worldwide. They clean breathable air from contaminants in a low-cost and effective manner.

## Accessories

### Wikov V mask box

Instead of a mask bag, the Dräger full face masks can be stored or carried along in the Wikov V mask box.

### Lens overlay protectors, self-adhesive

## Accessories

ST-14835-2008

### Welding protection visor (only for stainless-steel frames)

In combination with a full face mask and corresponding breathing filters, the welding protection visor ensures that you stay safe when welding.

D-9856-2014

### Mask spectacles kit

The full face mask can easily be equipped with a spectacles kit for wearers of glasses.

D-44725-2015

### DAISYquick cleaning cloths

Cleaning cloths to remove dirt easily, without damaging the mask.

D-4894-2017

### Anti-fogging gel "klar-pilot" (50 ml)

This special anti-fog agent (gel) prevents visors and mask spectacles from fogging even in case of extreme temperature differences.
